

PATROLTEK™ DUTY GEAR

The PatrolTek line of synthetic duty belts and accessories was specifically designed for the law enforcement professional at significant cost savings over premium brands, yet with considerably enhanced quality over similarly priced products on the market.

Pouches feature a contour molded fit with extras such as pleated lids and reinforced hidden snap closures. The trilaminate construction offers durability with its 600-denier woven exterior. Durable and good looking, PatrolTek products are easily cleaned with soap and water.

With current budget trends, law enforcement agencies shouldn't have to choose between price and quality. Choose PatrolTek.
